OIISTAR SIGNATURE RAMEN

When You Are Ordering Our Signature Ramen

- **Broth Information:** Our broth contains NO dairy products (no milk, no creamer, etc.). We pride ourselves on preparing our creamy, rich broth through a tried-and-true process. This process depends on both our unique cooking method and the long hours the broth simmers. By simmering for hours, we extract all the rich flavors from the meat, naturally creating a savory, rich broth.
- **Spice Levels:** Each of our ramen bowls comes with its own special spice level that we've carefully chosen to match the flavors. While we aren't able to change the spice level, we want to make sure you enjoy your meal comfortably. If you have a sensitive stomach or are eating on an empty stomach, please take your spice tolerance into consideration. We hope you love every bite and enjoy your time with us!
- **Allergies:** If you have any food allergies or dietary restrictions, please inform your server before ordering.
- **Add Extras Toppings:** You can add extra toppings to boost your ramen. Ask your server for options.
